BRICK ORDER FORM | Support Epley Park Playscape

SHOPPING FOR A UNIQUE GIFT?

Support your local community and put smiles on the faces of Hartland's young people. You can be a sponsor of the Epley Park Playground by honoring a friend, relative or neighbor. Even though Hartland's young people have been enjoying new equipment at Epley Park, improvements are in the works. Additional funding is needed to replace older equipment, mainly used by children under 6, and to add components to the Game Time equipment installed in 2007. Now is the right time to honor that special person or group with the purchase of a Memorial Brick. In recognition of the economic climate here in Livingston County, Hartland Area Community Council has reduced the price of new Memorial Bricks by 50%.

Purchase of brick pavers to help fund this community project has been in progress for about five years; the most recent Memorial Bricks were installed last July. Thanks to Community Council's key sponsors and members of the community who contributed resources and effort to make this dream a reality. New Memorial Bricks that are purchased by February 22, 2010 will be installed by Memorial Day.

Follow these simple steps to have your brick engraved.

1. Write your message. Please print clearly using upper case letters. Limit the characters (including spaces) to 14 per line.

4 x 8 Inches – ~~\$100~~ **\$50.00**

8 x 8 Inches – ~~\$150~~ **\$75.00**

Please remember the text will automatically be centered.

2. Please give us your mailing address and phone number so we can contact you if questions arise.

Name: _____

Address: _____

Phone: _____ City: _____ State: _____ Zip: _____
